CURRENT

Danone internship, late August 2026

Next search window: March 2027

PROFILE

ESCP Business School student with an engineering base, marketplace growth experience, and a consumer-centric approach to product, marketing and PMM decisions. I connect what people do, say, avoid and repeat to what teams should build, prioritize and communicate.

EXPERIENCE

Danone

Incoming internship, late August 2026

FMCG, category, consumer and commercial context. The role adds live category experience to my next internship search from March 2027.

Freelance Growth & Performance Marketing Consultant

Jul 2023 - Jun 2025, remote

Worked across 10+ consumer brands and three markets. Supported a long-term international e-commerce engagement with around EUR 68K monthly budget, performance tracking, campaign testing, and marketplace growth.

BAJA SAE India and engineering base

Mechanical Engineering, SPPU

Led a 25-member team through deadline-heavy product execution. B.E. Mechanical Engineering, top 1 percent.

SELECTED PROOF

Peora

Amazon availability, rank loss, ad dependency and conversion systems.

Danone

Claim saturation and category proof signals.

LVMH

Shared customer infrastructure with house-specific expression.

L'Oreal

AI personalization, adaptive discovery and brand memory.

Miutine

4,700+ reviews, collectibility and object value.

E-mobility

Foldable electric mobility concept and adoption conditions.

WORKING STRENGTHS

- + consumer research
- + product strategy
- + product marketing
- + category analysis
- + marketplace growth

- + Excel and Power BI dashboards
- + performance marketing
- + brand and CRM systems
- + structured writing
- + cross-market localization
