APPLICATION DOSSIER

Rugved Naik

Consumer understanding for product, marketing and innovation decisions.

Engineer by training, growth practitioner, and Innovation & Productivity PM Intern at Danone. I use consumer evidence to clarify what a team should build, say or prioritize.

MAR 2027 Internships from March 2027	**SEP 2027** Apprenticeships from September 2027
APR 2028 Expected ESCP graduation	**PARIS** ESCP Business School

TARGET ROLES

Product Management, Product Marketing, Innovation PMO, Consumer Strategy, Consumer Insights and Market Intelligence.

EVIDENCE AT A GLANCE

4,700+ Ratings and reviews analyzed	**EUR 68K** Monthly portfolio budget	**5 to 25** BAJA team growth	**4 months** BAJA delivery window

AVAILABILITY AND FORMAT

ESCP internship agreement required. Flexible 4 to 6 month duration. Day-to-day working language: English. French A2, actively improving through regular coursework.

PROOF TO INSPECT

Three evidence types, shown according to what actually exists.

DATED RESEARCH

Collectibility Over Loyalty

Academic project submitted in March 2026. I led the quantitative netnography and social-listening analysis across 4,700+ ratings and reviews. Later public Miu Miu Beauty activity aligned with the framework; no influence is claimed.

DELIVERY UNDER CONSTRAINT

Building the Team Before Building the Vehicle

Captain and Head of Engineering Design. Grew a five-person group into a 25-person agile organization, managed an INR 17.5 lakh budget and INR 8 lakh in sponsorships, and delivered in four months. Top 10 in India and 1 of 3 teams selected for BAJA SAE Oregon 2023.

PRESENTED ARTIFACT

Face Architecture

Givenchy case competition work that translated couture heritage into a Gen Z beauty venture, with the submitted deck excerpts available in the online dossier.

METHOD

Observe. Separate signal from noise. Name the tension. Translate it into product or go-to-market logic. Make the result usable for the next decision.

CURRENT ROLE

Danone, Innovation & Productivity PM Intern, September 2026 to February 2027. Supporting European dairy innovation and productivity projects across milestones, cross-functional coordination, data quality, Power BI, governance and portfolio health.

DOSSIER INDEX

Six real projects and two independent thinking exercises.

ACADEMIC PROJECT

Collectibility Over Loyalty

Consumer research, market reading and a dated evidence trail.

TEAM LEADERSHIP

Building the Team Before Building the Vehicle

Product delivery, organization design and technical trade-offs under constraint.

EMPLOYMENT

Availability Is a Ranking Signal

Inventory, organic rank, advertising dependency and commercial response.

EMPLOYMENT

Listing Conversion Systems

Customer doubt, marketplace proof and conversion infrastructure.

FOUNDER VENTURE

Foldable Electric Mobility Product

Urban adoption, storage, transit and commercialization logic.

CASE COMPETITION

Face Architecture

A Gen Z beauty venture grounded in Givenchy couture heritage.

INDEPENDENT ANALYSIS

Premium Health Devices Need to Sell Interpretation

A 100-listing Amazon category read on Withings, premium value and trust.

INDEPENDENT ANALYSIS

What AI Can't Personalize

Adaptive discovery, brand memory and protected cues inside personalization.
